New York State Family Court

County of _____

_____ NY _____

Dear Court Clerk:

The Coalition of Fathers and Families NY, Inc. is a non profit member supported corporation working to keep fathers and families together. To this end we hold non custodial parent support groups meetings at various locations throughout New York State as coordinated by our all volunteer county coordinators.

Additionally, our web site, www.FaFNY.org, has much information related to the process in family court and is currently getting 5000 information hits a week from interested parties looking for help and information.

It should also be noted here that there is currently no state agencies or division which represents or speaks on behalf of the men and women, 2.5 million in New York State, who have been categorized as “non custodial” parents. In the void, FaFNY has taken this up this burden.

To help us in our educational and advocacy roles we are asking that you place the enclosed flyer in a prominent place in your court room for all to see. Please notify us if the flyer is inadvertently removed or defaced and we will provide another large size or you may download it from our web site in Adobe Acrobat, size 8 ½”x11” for posting in several locations.

We look forward to educating the families; men, women and children, on the NYS Family Court system and its operations and to lessening your burdens in serving the citizens of New York State.

Sincerely,
James H. Hays
